

# 5th Annual Day of Giving

December 14, 2016

## Who do we help?

**Day Star** provides the basic necessities of life to our neighbors in need in order to stabilize their lives, and to prevent hunger and hopelessness.

**St. Vincent dePaul** helps clients with basic needs to help them end their homelessness.

**Pet Pal Animal Shelter** rescues dogs and cats from shelters that may otherwise be euthanized due to time limitations, illness, and injury.

**Sallie House**, run by the Salvation Army, provides temporary housing for children at risk.

**Clothes to Kids** provides clothing to low-income or in-crisis school aged children.

**Callee's Bikes** collects gently used bikes, refurbishes them, and provides them to children who would otherwise not have a bicycle.

Our awesome choir students sing to and entertain the residents of **Bon Secours**.

## Why do we do this?

Part of the mission at St. Raphael is to help our students understand their Catholic faith. Our faith teaches us to work for others.

We want our students to understand that there are needs in our own community, and they are able to help. We work together to collect, sort, deliver, serve, and make life better for those less fortunate.

That says it all!

Please send in any donations between November 28th and December 13th.
