

DECADE OF DISCOVERY: IMPACT OF STATE-FUNDED PRECISION MEDICINE RESEARCH

California Initiative to Advance
Precision Medicine

Launched in 2015, the California Initiative to Advance Precision Medicine (CIAPM) marks a decade of supporting cutting-edge biomedical and health research that prioritizes whole-person care and advances community-driven solutions to reduce health inequities. Join us to celebrate 10 years of achievements and impact for Californians!

April 9, 2026 | 1:00–3:30 PM    1700 K St, Room 17.1014, Sacramento, CA | Hybrid
