

Mexico Mission Sign Up & Support

2019 November 23rd – November 27th

I am interested in being a missionary on the mission to Mexico in 2019 or supporting the mission. I am willing to pay \$100 deposit to reserve my spot and I realize after September 15th or when airline tickets are made that deposit will be non-refundable. I am willing to work with others to raise funds for the mission. In the past we have worked hard and raised much of the funds. We also have scholarships if needed. I realize the mission cost about \$800 - \$1000 a person. The total amount of money we raise for supplies and transportation will determine the balance I will need to pay for the mission. I also realize I need a current passport or passport card to go on the mission. Youth 15 to 18 can join the mission with a parent.
