

FOR SALE

The perfect boat for cruising around in this spring! I have owned this boat for a couple of years but unfortunately do not have the time anymore with high school and getting ready for college. It is a super fun boat to learn to sail or just go out and enjoy the water.

A 16 ft. Hobie Cat with a brand new trampoline, sails with sail bags, rigging and more.

Comes with a trailer in good condition.

Asking \$2000 - Any reasonable offer is welcome.
