2019 Signs at the Fair

Please select a location. If you have duplicate signs, designate where you want them displayed. Space is limited on the fairgrounds. We allow up to one sponsored sign per business by the cattle barn as space permits. There will be plenty of room within the Belleville City Park to display them otherwise. We will collect the signs after the NCK Free Fair is over and you can pick them up from the Belleville Chamber & Main Street office if you wish or we can store them to use again next year.
