INSTRUCTIONS FOR COMPLETING EMPLOYEE CERTIFICATION FORM

1. An Employee Certification Form must be completed and signed by each employee retained during the specified time period of the CDBG project. During the project, the KDOC representatives will compare payroll listings to the Employee Certification Forms. Any employee without a certification form will not qualify as a job created by the project or will be classified as a non-LMI job.
2. Prior to giving the form to the employee, the company should fill in their date of employment/hire. The company should also fill in the exact job title, since many times the employee does not know that information.
3. Owners, LLC members or corporation stockholders do not need to be included in the employee count unless a sole proprietorship without employees.
4. The employee **MUST** complete the other information, including a check in the column of the income section. The income is **the total gross family income for the past 12 months or the 2019 Tax Return whichever is less**. The easiest way to get this is to have them use the gross income they reported on their last income tax return. PLEASE NOTE: The employee is not required to fill out the personal information on the certification form if they choose not to do so.
5. Make sure the employee signs and dates the form.
6. Please return the completed and signed form to NCRPC.
7. If the employee feels more comfortable, it is acceptable to have them place in a sealed envelope.
