Synagogue Services Protocol

“Every Jew is responsible for every other Jew” - BT Sanhedrin 27b

Our services protocol is based on recommendations from our Health Committee, CDC guidelines, and information from the Louisiana Department of Health. This protocol will be strictly adhered to so we can keep each other and our staff as safe as possible.

- Only those who are members may register for services. If you are not a member, we invite you to join us for services virtually. Please visit our website (www.shirchadash.org) for details.
- Requests to attend services must be made either online via the synagogue's website or by calling the synagogue office at (504) 889-1144.
- Each service will last no more than two hours, and up to 36 people will be allowed in the building at any given time. Due to the limited seating, we may not be able to accommodate all requests.
- There are numerous members of our community who are at risk for developing more severe disease from COVID-19. These at risk groups include:

 - Those with underlying health conditions such as:
