

Finding the Wild Goose

2026 Topic Courageous Women Led by the Spirit

Courage is the judgment that something else is more important than fear.
~Ambrose Redman

Finding the Wild Goose is an independent group of women gathering to explore and grow our Christian spirituality. Finding or seeing a wild goose spiritually symbolizes the unpredictable, untamable, and surprising nature of the Holy Spirit.

Jan 14, 2026	Immigration <i>Sr. Marilyn Pray/ Mother Cabrini</i>
