

How to Contact Your KANSAS State Legislators

Tips for Speaking to Elected Officials

1. You can call, email, or write a letter to their office in Topeka.
2. Keep it simple! Just let them know that you support the expansion of Medicaid in Kansas, which would expand coverage to an additional 150,000 Kansans who otherwise go uninsured.

Click on the following link to find your state legislators – go to the tab and enter your address:
