Joseph Jones

Joseph Jones brings a wealth of experience and expertise to the table, having dedicated nearly two decades to the field of forensic science. His role as System Director at the North Louisiana Criminalistics Laboratory demonstrates his leadership and organizational skills, overseeing not just one but two forensic laboratories and an evidence hub. Mr. Jones plays a crucial role in assisting law enforcement and legal professionals in cases involving impaired driving and toxicology interpretation. Attendees at the conference can expect valuable insights and perspectives from someone deeply entrenched in the practical aspects of forensic science.
