MEDIA ADVISORY

SAN FRANCISCO EMS AGENCY AND SAN FRANCISCO FIRE WILL HOST A COMMEMORATION OF FALLEN EMS HEROES.

San Francisco, CA – The [National EMS Memorial Bike Ride](#), Inc. honors EMS personnel by organizing and implementing long-distance cycling events that memorialize and celebrate the lives of those who serve every day, those who have become sick or injured while performing their duties, and those who have died in the line of duty. This year, the West Coast Chapter is riding from Reno, Nevada, to San Francisco, carrying dog tags for fallen Emergency Medical Services professionals who lost their lives in the line of duty.

The team will ride across the Golden Gate Bridge at 3:00 p.m. and conclude their 450-mile journey at San Francisco Fire Station #51, located at 218 Lincoln Blvd at Keyes Avenue, Presidio of SF.

A celebration and brief memorial will commemorate the journey, memorializing our fallen heroes with multiple uniformed public and private emergency services providers from the Bay Area present, including a San Francisco Fire Department Paramedic who will honor the event by singing Amazing Grace.
