Fire Prevention Month events, October 2020

DUE TO COVID 19, THE DEPARTMENT WILL NOT BE HOLDING OUR TRADITIONAL FIREHOUSE OPEN HOUSES THIS OCTOBER IN CELEBRATION OF NATIONAL FIRE PREVENTION MONTH. We will be providing social media tips all month (Twitter-@SFFDPIO) and offer on-camera or in-studio (COVID 19 SAFETY HAS TO BE PRESENT) for media partners. This can be arranged by emailing a request to firepio@sfgov.org

INTERACTIVE FREE WEB-BASED EVENT:

The San Francisco Fire Department has partnered with the Hartford group, hosting, on October 6, 2020. This National Junior Fire Marshal Day will feature fire safety education delivered virtually to students at home and in classrooms all around the country, delivered by a first-grade teacher in Ohio and a Fire Prevention Officer from Pittsburgh.

It will be streamed live at www.juniorfiremarshal.com and will take about 30 minutes. There is no cost to register: www.juniorfiremarshal.com/register
