

INSPIRE INFORM **INVIGORATE**

► About **Women in Leadership (WIL)**

Women in Leadership (WIL) was developed to deliver real-life experience, advice, and conversation among women in different stages of their career including students, interns, executives, entrepreneurs, mid-career managers, and more.

► Benefits

- Building and renewing confidence
- Growing and leveraging your network and relationships
- Using your power and influence
- Increasing accountability
- Asking for new challenges outside of your comfort zone
- Executing on your career goals and defining success for yourself

► Once a Month from 8 a.m. - 10 a.m.

Click [here](#) to view the full 2021 speaker schedule.

► COVID Update

We hope that at some point in 2021, we will be able to welcome you back to the Commerce Club. Safety is of utmost importance, so until it's safe to return, we will continue the virtual program. There will be no charge for existing members until we return to the Club. In fact, we encourage you to invite other members of your company/team on us.
