# Inclusion, Diversity, Equity in Action Coaching Certification

Turknett Leadership Group (TLG) is committed to the development of leaders and creating high-performing teams and cultures. With increasing globalization, the need for cultural understanding is at its greatest. Inclusion, diversity, and equity are crucial to the workplace environment, global position, and overall well-being of an organization.

We strive to provide you with the necessary tools and resources to move your organization forward. Clients will develop the ability to **define** and **understand** diversity, inclusion, and equity as well as **advocate** throughout their organization.
