If you have items listed that would bring a better price online than at our Rummage Sale, you might want to DONATE them through our Random Online Rummage (RoR) organized by Kate Boyce. If you are interested and can handle the actual transaction from your home, send a picture, description, and dimensions to Kate at our new email address (**rummagesale@stpetersglenside.org**) and she will get in touch with you. Please contact her after our sale is over or anytime other than in April or October.
