

Calling all singers, dancers, musicians, and performers! Staying home and staying safe in 2020 meant we had to cancel so many of our plans to share our talents.

CAPA Board is pleased to announce that SOE 2021 will be happening virtually this year and we are excited to start putting together a fantastic show! Show theme and audition information will be announced SOON, so please start forming your teams, planning your acts, and getting ready to be a part of a wonderful program!
