

FILAMCCO SETS STAGE FOR 2021 RIZAL DAY CELEBRATION

Southfield, Mi. November 3, 2021: The Filipino American Community Council (FILAMCCO), the umbrella organization of more than 40 member affiliates, announces its upcoming signature event, the Rizal Day, slated for December 18, 2021, at the Suburban Collection Showplace in Novi.

The event dubbed as a historical commemoration and cultural gala carries the theme "A Salute to Frontliners Part 2" the second series from the same title originally named for the organization's "Kalayaan" celebration last June. Rizal Day highlights the traditional honor given Philippine National hero, Dr. Jose Rizal whose struggles and sacrifices to deliver his countrymen from foreign oppression gave them the freedom they enjoy today. The Filipino community celebrates Dr. Rizal's life and legacy annually on his Death Anniversary in December.

The ceremonies commence with the Parade of Colors in a lively procession of all member organizations represented by their presidents led by Filamcco Past and current presidents. Beauty pageant winners and the keynote speaker will also join in the parade. Other activities will include an entertainment program participated by member organizations showcasing song, dance, instrumental renditions, and other aesthetic contributions. There will also be presidential awards in appreciation of outstanding services rendered by members of the board during their terms of office.

This year will also usher in a new set of officers for 2022-2023 in an Induction ceremony. A keynote speaker will address the community on issues of significant value to the organization and the community at large. The guests can enthusiastically look forward to a variety of dessert treats, prizes, dancing to the beat of the DJ's music ensemble and the warm fellowship among friends and families.

President Wilmar Suan in his final year at the helm, has appointed 2 chairpersons from the Executive Board, Dina Keeling and Rosemarie Caoagas to oversee plans off to a satisfactory start. An event of this magnitude draws the support of many hardworking committee members who give unselfishly to gain the fulfillment and gratification they want to attain.

Once again, we encourage the Filipino Community, our Asian friends, partner organizations, families and anyone interested in being part of a fun holiday soiree to join us in this community-wide year end activity to enjoy the pleasures and excitement this celebration has to offer.
