*“One child, one teacher, one book, one pen can change the world.” ~Malala*

*Continued from first page:*

I am hearing from students and families the importance of the need to “change things up” and provide activities to look forward to. As the reality of not returning face-to-face this school year, we have some fun activities coming up- our Middle Schools’ Got Talent on 5/29, our special Advisory (8th grade), Moving Up Day 6/4 and our Moving Up Ceremony 6/12. We are working with middle school student leaders to develop more opportunities for kids to connect with one another.
