Hybrid Overview Presentation

Thanks to those of you who attended the Hybrid Overview Presentation this morning. We are feeling good about having only a few questions in follow-up email. The PPT presentation is here: [ES Hybrid Overview Presentation](#) If you did not attend we encourage you to talk with a friend who did. If you do have questions after reviewing the PPT please send them to condorcares@cng.edu

A Reminder About the 'First Days' of School

As we discussed in the Hybrid presentation on Thursday, we actually have 3 First Days of School this year...Distance Learning in August, Hybrid A on 11/9, and Hybrid B on 11/17. What does this mean? It means that we need to give students and teachers the space and time to acclimate. While they are doing this on campus, students in Distance Learning will have Asynchronous lessons, both individually and in partners/groups. Learning will not be lost! We must give the space and time to learn the biosecurity protocols and figure out how to be together on campus.
