One to One's during Distance Learning

This semester we want to make sure ALL students have the opportunity to meet with their homeroom teacher on a one to one basis every week. Teachers will be scheduling a 10 minute time slot with your children between 12:30-2:00pm. We want to make sure you put this meeting in your calendars so they can meet with their teacher on a weekly basis. These one to ones will not be optional.

Reading Buddies Program

We are continuing and expanding our Reading Buddies program with HS students. In this program your child would be matched with a HS student and they would coordinate with you as a parent for 20 minute time periods two times a week in which they can connect virtually with your child and read to them and with them. You can choose to have your child focus on reading in English or Spanish. If you would like to have your child participate in this program, please fill out the following survey to help us make the best match:

Please respond to the survey by January 28th if you wish to participate.
