Neurodiversity week

March 15-21 is the worldwide Neurodiversity week. This is an invitation to celebrate and acknowledge the differences in schools in order to build awareness to create a more inclusive supportive and understanding environment for students with special education needs. The CNG community will be joining this worldwide initiative and begin to notice and celebrate what neurodiversity is and how these differences nourish and enrich our school. Learn more about Neurodiversity week [here](#).

Preparation for Modules after Semana Santa

Please know that if your child(ren) is OPT OUT in Module 6, they may have a schedule change- by period- not by class and by teacher. We are working hard to create an optimal teaching and learning environment for all our students and believe that, in some cases, moving class periods based on student needs must happen to create the best learning environment for everyone.

Parent Conferences have been changed to 4/8 (from 4/15)- this will be a non-student day and sign ups will come out 3/26.

Scheduling for next year- is coming!

3/19- Academic Program Guide will go out to students, with Honors (formerly PreAP) Applications

Week of 4/5 -4/9- Course Selection and Honors Applications due and parent confirmation of courses and 5th Grade Scheduling Information

4/12-4/16- Honors Class notification by committee

4/19-5/28- Administration builds schedule

6/1-6/4- Transition Activities rising 6-9th graders

Attendance

Did you know you can input your child's attendance in just a few clicks? As we continue to improve our attendance processes and help ensure that you as parents are able to effectively communicate attendance needs, in the coming weeks, we will be working to train parents on how to input attendance into Skyward. Once implemented, we believe this step will save families and students time in reporting tardies or absences. To start now, the instructions can be found here [\(computer instructions\)](#) [\(phone App instructions\)](#).

NJHS

We want to inform you that given the hybrid schedule and upcoming pilot, finding a time for all NJHS selection committee members has been difficult. We will be meeting the week after Easter Break, having an answer for all applicants on April 9th. We are eager to know who will be joining us in this fantastic group and working together for the rest of this school year and beyond.

Please let us know if you have any questions or concerns; email us Diana Castaño (dcastano@cng.edu) and Sandra Cortes (scortes@cng.edu).

Athletics

“Adjust and improve daily” has been the Condor Activities and Athletics department’s mindset during the pandemic. Our successful first Saturday with on-campus athletics was a great feeling of progressing towards an improved program for CNG students. It truly has been a determined effort from students, coaches/instructors, and parents to make on-campus activities a reality! As we move into Group B, March 13 Saturday practices sessions, we will continually adjust for future weeks. At the moment, only students who enrolled in athletics at the beginning of the year will have the opportunity to attend Saturday sessions. Just as a reminder, Saturday practice sessions are also in addition to the regular weekly virtual practice schedule. Our amazing Andean team will be on campus during practice sessions taking photos of our athletes in action. Athletes in action will be a great feature to our already impressive Andean for the 2020-21 school year.
