CNG COMMUNITY NEWS

"Family engagement is not a single event; it is a shared responsibility." - Heather Weiss - Harvard Educator

***Continued from first page:***

Like you, I loved being able to see my child's teacher explain their class, who they are outside of school and how we can partner together in support of our kids-but most of all, seeing all of YOU! If anything, virtual learning has created an opportunity for all of us to communicate, ask questions and grow closer as a community through shared experience. As a middle school team, we are so grateful for our learning community. Please, pause for a moment and give us feedback on how your MS OPEN HOUSE experience was [HERE](#)

### **This Week:**

**Star Reading Test :** Spanish teachers will be implementing this important test. They will send the information and the links for the students to connect during the corresponding class period

### **From the MS Counselors:**

Counselor Parent Workshop information-

The Middle School Counselors will share ideas on how to support your child while “Socializing in the Time of Covid.” The workshop will be recorded and shared afterwards, so that you may watch it asynchronously.

### **Athletics:**

We have a great enrollment in Athletics and Condor Activities! Our department is impressed by the number of students continually staying connected with teams and groups to build a stronger social, emotional, and physical well being. We are truly fortunate to have an amazing coaching and instructor staff to support our students during distance learning.

While the Elementary, Middle, and High School athletics programs are now in full swing, on September 1st, Primary School will begin their 2020-21 program, as well as ALL Condor Activities which will begin on the week of September 1.

On September 4th, we will have no activities due to teacher professional learning sessions.

The Athletics and Condor Activities departments will be offering an opportunity to have an open dialogue with Andres Silva (Athletics Director), Solita Baron (Condor Activities Director), and Colin Lauman (Co-Curricular Activities Coordinator). The following times and zoom links include:

**MS/HS Tuesday, September 1, 9:00-9:30**

### **Advisory:**

THIS WEEK- students will have “Advisory check ins” (like Opportunity Day). Please encourage your child to sign up on MONDAYs in Advisory for an “Advisory check in”, if they need to make something up in a class. Every Tuesday, our children can select the teacher they want to see. Every Thursday, the teachers will select the child they need to see. If your child is NOT signed up- they will either have a 1-1 check in time with their Advisor or asynchronous study/reading time. This is a great time for students to catch up, reach out to teachers, read, review notes, etc on their own. We know this impacts the wonderful community time during Advisory. We plan to add social and community building options AFTER we set up this important INTERVENTION time. Any questions, feedback, concerns? We want to hear from you, please contact your child’s Advisor.

**UPDATE Planners:** basic planners will be available the week of September 15. These will be basic but able to customize with the rotational schedule for all of our 6th graders and for individuals in 7th and 8th who want it. Please contact [ms\\_dismissal@cng.edu](mailto:ms_dismissal@cng.edu) to request a basic planner. We also have a CNG parent offering the following:

- Personalized planners! COP\$65.000 + shipment (if you prefer to receive it at home).
