

“Isn’t it funny how day by day nothing changes but when you look back everything is different?” ~C.S. Lewis

Continued from first page:

In classrooms, I saw students making “chocolate rocks” in geology, writing letters as World War II soldiers, developing a personal World map and more. It was great to see our 7th graders in the class meeting, and like our 6th grade hear that though they are missing friends and teachers (and are a little bored at home) they are doing well overall. Keep it up, Middle School- we have 2 more weeks to finish strong!

Important Reminder:

This week, we have gotten notice that at least two of our students were solicited for inappropriate material. Though this was NOT related to CNG emails or accounts; it is an important reminder to all of us to take precautions:

1. Be sure all your children's social media accounts are PRIVATE and I suggest that you "follow" your kids on their accounts.
2. Consider NOT allowing children to keep phones in their bedrooms at night or when you cannot be there to check in or supervise.
3. Remind your kids, if ANYONE they do not know begins to follow them to notify you.

Updates:

- Middle School talent show, moved to **June 10th**, we want to give our kids a little more time in order to participate. Please ask your children to send the video to Ms. Katie Jubert. kjubert@cng.edu .

Other announcements:

- View the WAU [**HERE**](#)
- Some parents are requesting computer stands and screen glasses so the online environment is more comfortable- for ordering information, please contact ms_dismissal@cng.edu and put "computer base" or "screen glasses" in the subject line.
