## Thank you's!

- Please hug our kids this week! They were great working with all the new technology, no phones and movement of classrooms. I have never met a nicer group of young people (and I've been in education for 20 years!). We know it was a stretch this week and our kids rose to the occasion. Well done!
- A big thanks to our counseling team for their Chat and Chill meetings this week- we had almost 100 students connect- wow! Also, we appreciate the new CNG

meet ups and 6th grade tours. Our kids are fitting in well and didn't need a lot of help but used the time to connect and socialize.

- A big thanks to our supervising teachers this week. Ms. Was, Mrs. Habegger, our permanent subs- Daniel Bernal, Caro Hernandez, Julio Acuna, and Juan Carlos Londono for their support this week

## **Athletics:**

With the new hybrid class and transportation schedules, our teams are adapting and staying strong. Athletes from middle or high school may have moved to an earlier practice time, depending on the transportation time for teammates. This week, we would like to give our coaching staff a special thanks for providing us with a tremendous amount of assistance in P.E. classes while still coaching practice. With their help, we can provide physical activity for all P.E. classes on campus during hybrid learning. GO CONDORS!!!
