Last week's Coffee Chat Summary for 10/15/20

We had the privilege of having Carlos Santiago Cano join us to share “Key points to accompany the emotional world of your children in difficult times”. Feeling overwhelmed by the impact of the pandemic? Wondering what your kids need from you? Carlos presented practical ways to build your relationship with your child during the pandemic. As he mentioned in the question and answer session, we have the opportunity to recreate old ways to build relationships. We also have the chance to recreate our ideas of going to school together!!

If you weren't able to join us or would like to watch it again, here is the recording of the presentation...

MAP Testing for 5th Grade

Congratulations to the 4th graders for successfully completing the MAP testing this week. The biggest complication was the lack of students have computers with the device system check completed. Fifth grade parents, please help your children to complete this important step. Here are the instructions for the [device check](#).

The 5th grade testing will be Oct. 20, 21 and 22nd. Please look for information from your child's homeroom teacher about the specific times, tests and Zoom links for each day. Wishing you all the best 5th graders!!
