Open for Opt-In (from Skyward sent on Thursday November 25)

Module 3 in Skyward was opened last Friday, November 27 at 4 p.m. for parents to select to Opt-In or Opt-Out. Module 3 of CNG's Hybrid Learning is scheduled to begin with Group A students attending on-campus instruction during the week of Monday, December 7 (Group B will be virtual), and Group B students attending on-campus instruction during the week of December 14 (Group A will be virtual). Families will need to consider if they want to make changes to their Opt-In/Opt-Out status in Skyward. If a parent wants to keep the current status the same for Module #3, then you do not need to make any changes in Skyward at this time. Only those parents wanting to make a change need to access Skyward and change the Opt-In/Opt-Out Form by Monday, November 30, at 8:00 pm.

Families Opting-In for the First Time

For parents deciding to opt-in for the first time, each child must have a negative PCR test to be on campus. All tests must be conducted through the Fundacion Santa Fe, and parents can schedule this directly through an appointment by phone at 321 2712999 or 316 3388742, or by email at ivonne.romero@fsfb.org.co or ana.baldion@fsfb.org.co. Parents who do not speak Spanish must request an appointment by email in order to schedule the PCR Test for their child(ren). When doing so, please mention that you are members of the CNG community and that CNG has a testing agreement with Santa Fe. We encourage all families new to opting-in to schedule a PCR testing date for their child(ren) one week before their children attend their assigned Group A or Group B. For Module 3, parents new to the opt-in process must also complete a Signed Consent Form. This form will be sent to families after they elect to opt-in on Skyward.

Student Groupings and Transportation Information

At 5 p.m. on Thursday, December 3, and thereafter, parents who changed their Opt-In/Opt-Out status for Module 3 can see those changes reflected in Skyward within their child's Module #3 Form located in the Online Forms section of Skyward's Family Access. This form will also contain important information about your child's group designation and transportation information if parents opted for CNG busing service initially. No additional email notifications will be sent by CNG to confirm student groupings since this information is available on the Module 3 Opt-In/Out form located in Skyward.

PE Reminders

As we get back into the on-campus routine Ms Gloria and JuanDacho are asking families to remind students to wear their PE uniform on PE days. The PE uniform is actually OK all days during Hybrid, but it's a requirement on PE days! The second reminder is about student participation. If a student has an injury or condition preventing them from participating in PE please send Ms. Gloria or JuanDacho an email or doctors note.

Opportunity Day

Our teachers' schedules now vary a bit with the move to Hybrid. Those on campus have to be out of their classrooms by noon. Then they have travel time and lunch. As a result, they have set up individual times for Opportunity Day. If you are unclear about your child's Homeroom Opportunity Day please contact their teacher.

Meet New Support Staff

We are fortunate to have some extra staff supporting ES on campus during Hybrid. Please welcome temporary substitutes *Tatiana in 3rd grade, Carolina in 4th grade, and Andrea in 5th grade*. Our testing proctors have also changed their roles for now to support ES. Please welcome: *Juanita and Angela*.

Andean Yearbook Selfies: Due December 1st

It's time to take this year's yearbook picture!

For the 2021 Andean, we are changing up our pictures to reflect our reality. As we all know, this year's circumstances are unlike anything we have lived before and as a school we must adapt to the changes. This is why, instead taking official pictures for the Andean at school as we usually would, we will be creating an Andean of SELFIES. Your child's Homeroom teacher has forwarded a google doc to families. Please follow these guidelines for getting your child's selfie:

[Andean Selfie Guidelines](#)

They should be fun and spontaneous, but definitely stay within the guidelines above.
