Continued from the first page:

Clubs are a great way for students to contribute the entire school community and are especially important right now as we look at as many ways possible for all of us to have something to look forward to and make a positive contribution and create community. Similarly, I invite parents to get involved this week by attending our Parent Tech Training Topic- Google Classroom. Also, as we begin looking ahead at our MAP testing, we know it will be a very different experience for your child. Please remind them, this is ungraded and not used to solely make placement decisions but as a way for use to support student needs and fill any academic gaps; therefore, the test needs to be taken seriously and we are asking everyone to try their best. Because our time on campus was cut short last spring and we were unable to perform the testing, this test is especially important because it will allow us to compare fall 2019 to fall 2020 and discover any skill gaps that our teachers can address in their virtual classrooms.

This Week:

- Special Schedule Monday September 7th. Please see [HERE](#) our 1 to 8 day rotation.
- Colombian Program Open House, Tuesday September 8th at 8:00AM at <https://cng-edu.zoom.us/j/6883516795> (ID: 6883516795). Ms. Astrid Amador, our Colombian Program Director in this special event with all the questions you have about this program.

Updates:

Athletics:

All athletic and Condor Activities are now in motion! We want to thank all the parents and students for committing to staying connected. As mentioned in previous CNG Community News, we will continually collect feedback from students and parents to improve our program during distance learning, hybrid, and the eventual return to on-campus education. An additional thank you to the parents that attended the open dialogue meeting with the Athletics and Condor Activities team. If you did not have the opportunity to attend the meeting, the presentation is available [Here](#). To see the recording video please check [Here](#) GO CONDORS!

Advisory:

THIS WEEK, due to our special MONDAY Schedule- students will have only one “Advisory check ins” (like Opportunity Day) that is Teacher directed. Since we DO NOT meet in Advisory Monday for our special schedule, your child will attend the TEACHER DIRECTED ADVISORY Academic Check in only as TUESDAY will be in regular ADVISORY for Personero voting and the Character Strong Lesson.

From the MS Counselors:

Thank you to those parents who joined us last week for our first parent workshop, Socializing in the Time of Covid. We discussed the importance of helping adolescents find safe ways to stay connected with their friends, maintain healthy routines, and stay grounded during these quarantined times. Our participants shared ideas that have been helping their families, like taking baby steps to overcome Covid fears, planning fun weekends on a shared family calendar, and having consistent early bedtimes.

To those of you who attended the coffee, since the presentation was filmed, if you participated and do not wish for your image in the video to be shared with our parent community, please email the office immediately. We hope to publish the video in next week's CCN.

[Please fill out this survey to share your family's experience in quarantine times and to let us know which parent workshop topics you'd like to see in the future.](#)

MAP Testing:

For students who attend/have shared HS classes please make sure to notify your teachers about taking MAP tests in MS, so it does not impact your attendance records. Your guardians may also notify the [MS Office](#) to update the system.

Teaching and Learning Department:

For those families that are not in Bogotá and will not be able to return school materials on Sep 11th, we kindly request you to please fill out [this document](#).

Thank you's!

- Athletics- Thank you for meeting with parents this week and requesting feedback
- Star Reading Test: Congratulate your child and Spanish Teachers on participating on STAR Reading testing last week.
- Thank you to the 23 parents who provided feedback to the Open House- we appreciate it! Below is a summary of that feedback-
 - Have teachers share syllabus and expectations prior to the Open House and review expectations. Provide more time (13 min was rushed), Consider Open House by grade level so parents can attend multiple child's Open House, Provide more clarity on Advisory and consider each Advisory having a special project

Looking ahead:

- October Break- No Class- Oct 3rd to Oct 12th.
- *Change - October 21st- regular full- day schedule
- Middle School CogAT Testing: Students will be tested from Sept. 29 to Oct 2 from 8:30am - 9:55am.
