Athletics- As Dr. Habegger mentioned in his April 14 “the situation remains highly fluid and unpredictable right now related to making any advance decisions.” For the time being Saturday athletic activities have been postponed (April 17 and April 24). If new information is developed mid-week, the Athletic Department will send out information to impacted athletes from the Skyward messaging system. Athletics and Condor Activities will continue to stay committed virtually. Students are still evolving and growing while connected virtually with teams. We have attached an article from the Aspen Institute [HERE](#) if you are interested in reading about the importance of staying connected and active.

8th Grade Families-

Katie Jubert and others are trying to collect photos of this year and past years of current 8th grade friend groups and events. For the eight grade moving up ceremony. Examples would be: CWW from last year, holidays, like Halloween. We are interested in photos, in and out of campus. If you could send photos to ms_photography@cng.edu
