

Weekly Note from PS Administration
March 15-19, 2021

Dear Primary School Parents!

We are looking forward to seeing most of our students back on campus this week. Although school will still look different, slowly we can begin to feel some sense of normality. These next few days we will continue to monitor our online and on site classes and make changes if needed. We appreciate your feedback.

This Friday we have Parent Teacher conferences. Primary School students have no on site or virtual school. Teachers will be meeting with parents throughout the day.

Thank you for your continued support,

Donald and Paula
