MAP Make ups for 4th/5th Grade

Congratulations to the 4th and 5th Grade parents, teachers and most of all to the students for a successful MAP Fall testing session. We still have some students that were absent, still need more time and/or had technical issues so we are offering MAP make ups this week. 4th Grade Make ups are set for Monday from 12:30 to 2pm and 5th Grade on Tuesday from 12:30 to 2pm. If your child should attend these make up sessions, the homeroom teacher will send you and your child a message/email. We plan to share the results with parents through Skyward within the next two weeks.

End of Trimester and Conferences

The end of the Trimester is on November 6th. Teachers are working diligently with students to help them get missing work completed and finish assessments. Conferences will be scheduled by your Homeroom teacher with you. They will give you some options including the afternoons of November 11 and 12; and all day on the 13th, which is a no-school day for your students.

A Note About Partner-Teachers in Hybrid Model

Not all HR teachers will be able to teach from campus during Hybrid. There has been some concern expressed about a partner teacher being on campus with the students instead of the HR teacher. The HR teacher will be Zooming into the classroom, and we can reassure you that every partner teacher is very well-qualified and will be a familiar face for our elementary students.
