Andean Yearbook Selfies

It's time to take this year's yearbook picture!

For the 2021 Andean, we are changing up our pictures to reflect our reality. As we all know, this year's circumstances are unlike anything we have lived before and as a school we must adapt to the changes. This is why, instead taking official pictures for the Andean at school as we usually would, we will be creating an Andean of SELFIES. You will receive information soon on how to upload your child's selfie for the Andean. Please remember to have fun with it!

A Reminder About the 'First Days' of School

Hybrid Week B starts on 11/17. What does this mean? It means that we need to give students and teachers the space and time to acclimate. While they are doing this on campus, students in Distance Learning will have Asynchronous lessons, both individually and in partners/groups. Learning will not be lost! We must give the space and time – just as we did with Hybrid Week A - to learn the biosecurity protocols and figure out how to be together on campus.

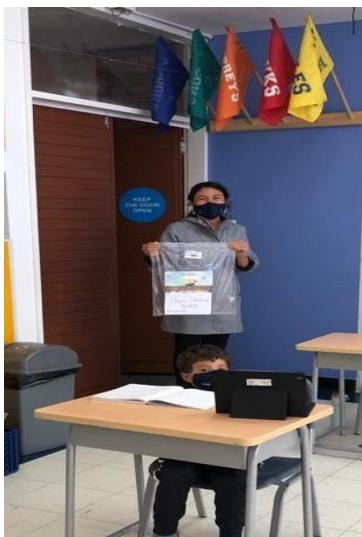

Get Your Children Reading at Home!

Even with our library being closed for visitors, Ms. Shannon, Ms. Juli and Ms. Marta have worked diligently to create an opportunity for your children to check out books. We have Curbside Checkout AND Classroom Delivery now! Here is the link [Curbside Library Checkout](#) for more detailed directions. Please get started and continue promoting reading at home with your children!
