

Parents As Partners HUB Launch!

The Character for Parents Planning Team, in collaboration with the Parent Council and the PTA have developed a one-stop *resource* for parents to access all pertinent school information: the **Parents As Partners HUB**. As of today, we believe it will be THE place for CNG parents to access relevant, updated information to support their student's learning and become involved in the school community.

These committed parents worked for over a year to identify and develop a comprehensive communication tool that addresses valuable parent feedback.

Of course, the **Parents As Partners Hub** will be updated regularly to provide the latest information. Also, please reach out to your Parent Council grade level representative with suggestions for improvement. We welcome your feedback to continue improving this important resource!

The **Parents As Partners HUB** is exclusive to CNG parents, and is therefore password protected:

Password: CNGCH (same as Community Handbook)

We thank these parents for their amazing work and look forward to hearing how this helps parents navigate CNG (through Distance Learning and on campus),
