

DOUBLE YOUR IMPACT IN NOVEMBER!

BY HELPING THE CHILDREN OF THE FUNDACIÓN HOGAR NUEVA GRANADA CONTINUE
WITH THEIR EDUCATION!

*Just for the month of November, our ally, the **Fundación Bolívar Davivienda**, has offered to match contributions received from new donors to ensure the education of our children up to \$25MM pesos. Help us reach our goal by going to our webpage and making your desired contribution or by selecting a Plan Padrino.*

Although it's not an easy time, at the Fundación Hogar Nueva Granada we have made an enormous effort to ensure that our 470 children can continue with their virtual education. Thanks to our CNG donors and community in 2020 we have been able to:

- Deliver groceries to all families of the children who study at the Hogar;
- Provide psychological support and personalized follow-up; and
- Give technological support so that our children can connect virtually with their teachers.

We still need your financial support because throughout 2020 the Foundation has not received income from its regular sources, including:

- The Ático, Out Of dress code, the Bingo and many others
- Plan Padrino, which has seen a decrease in donations. As of right now, only 283 families, which amount to 27% of our CNG families, are donors to Plan Padrino.

Our objective in the coming months is to return to on-campus hybrid learning. To accomplish this, the Foundation needs to make important investments to protect the health of our students and teachers, maintain the quality of education, insure its financial stability and, of course, reduce the likelihood of student drop-outs.

This

requires us to:

- **Invest in technology infrastructure:** we currently do not have internet capabilities in any of our classrooms or educational areas of the Foundation;
- **Develop biosecurity protocols,** to keep our community safe and healthy; and
- **Replenish learning materials,** which were loaned to our students during lockdown.

We need your support!

Take advantage of this opportunity if you have not yet made your contribution.

Go to www.hogarnuevagrana.org/dona now, make your donation for any amount or select your sponsor plan, and

DOUBLE YOUR IMPACT!
