

Weekly Note from PS Administration September 21-25, 2020

Dear Primary School Parents!

Two more weeks until October break. It's been amazing to see how well students, parents and teachers have adapted to this reality. We are now preparing to begin a Hybrid Model soon. We know that with your support, this will be a smooth and successful transition. Dr. Habegger will be sending out more information in the upcoming weeks.

Seesaw:

Please remind your children to do Seesaw activities. They are a very important piece of learning and they are a complement to the teacher's mini-lessons during the synchronous time.

Specialists in Seesaw:

The specialists' teachers are uploading materials in Seesaw once a week in each grade level. The main purpose is to reinforce the lesson students have had during sync time, they are not always homework or assignments. You will find a variety of resources that can be a video lesson to review or resources to support learning. Sometimes students only need to watch and there is not a product needed. Teachers will always clarify if there is something students need to show or they only need to write "done".

Assessment Protocol

Beginning next week teachers will be starting to assess students in literacy and Math. These assessments are for teachers to know where students are and therefore plan instruction accordingly. We kindly ask you to please follow the attached assessment protocol to make sure that we are able to see where your child needs support or challenge. As always we remind our students about our four core values of responsibility, respect, integrity, and caring. Thank you for your support.

40 WEEKS OF THOUGHTFUL CONVERSATIONS, RELATIONSHIP
BUILDING, AND CHARACTER DEVELOPMENT FOR THE HOME

BY: *Character Strong*

Every week we will be posting actionable ways to bring the sometimes abstract concepts, values and traits of character to life. We believe that character is a set of skills and all skills require practice.

Week 1- Character Dare

THE POWER OF WHY

FAMILY (C.A.R.E.)

Tonight, after asking, "How was your day" don't stop with the "good" or "ok" reponse! Follow it up with "why" or "tell me more about that." Do it several times to really get deep into understanding.

Better yet, change up the question! How about, "Who did you help today?" or "What was the most challenging part of your day?" or "What's one way I can help make today better?"
