

Weekly Note from PS Administration

February 15-19, 2021

Dear Primary School Parents!

We are very excited to see our students back on campus. There is a lot of information in this week's CCN. Please read carefully. If you have any questions please contact donald.bertolo@cng.edu or pperez@cng.edu.

Thank you again for your continuous support and partnership.

Donald and Paula

Masks

Non-disposable masks must be made of anti-fluid fabric on the outside and must have hypoallergenic fabric on the inside covering the nose and mouth completely. Masks must be fixed in the nose to keep it in place. They must have your child's name inside and must be washed every day.

The school's masks for kids are sold in Caracolitos.

Uniforms

With the return to on-campus school in a Hybrid Model, students will be expected to wear uniforms. These may be the "PE" (casual uniform) version for both PS and ES. Following is the link to CNG's uniform supplier, Caracolitos: [CNG Uniforms](#)

Overview of Hybrid On-Campus Model

The following overview items are provided with theme of the Three W's at all times:

Wear your Mask, Wash your Hands, Watch your Distance!

All staff will be modeling and reviewing specific safety protocols for all areas in the school: arrival/dismissal, classroom, hallways, bathrooms, snack break, recess.

Ingress/Egress (Arrival/Dismissal) Basics

PS students will be dropped off/picked up at the Main Gate. The most significant way parents can help each morning is to fill out the Self Checker Form. Drop-off will begin at 6:45am. There will be no Primary School supervision for gate drop-off before 6:45am.

If you are picking up your child please make sure to bring or place the printed placard in your car windshield. **We will not be allowing hand printed placards or signs.** Gate passes will not be issued. If you have an emergency and someone else needs to pick up your child, please make sure to send an email to ssmit@cng.edu or amcalderon@cng.edu. These requests will have to be approved by Mr. B and/or Paula before making any exceptions. Parents will not be allowed on campus.

Gate Dismissal Times

Kinder 4 : 12:55 pm

Kinder 5 : 1:00 pm

First Grade : 1:05 pm

Second Grade : 1:10 pm

If your children have older siblings please remember to come at your oldest child's dismissal time.

Students who ride the bus will have their temperature checked by the monitora. PS students will walk up and down the hill with teachers, using a different route than ES students. Students will have assigned seats on the bus based on family cluster and grade level. Dismissal from the bus in the morning will be one row at a time. We will have teachers taking students to their classrooms. Parents can help each morning by filling out the Self Checker Form. Bus Passes will not be issued. **NO exceptions will be allowed.**

Bus Dismissal Time

1:20 pm

Daily Snack Break, Lunch and Recess

These are in the schedule and, again, will be managed with safety protocols. There are 6 recess areas where students will rotate. Students must stay with their own class cohort group and assigned area. The recess areas will be cleaned in between recesses. There is a separate snack time in the schedule. Students must bring their own snack but may not share with others.

For those students who signed up for cafeteria services, a bag lunch will be delivered to their classrooms. If you didn't sign up for cafeteria services, please send another snack to your children.

WATER!

Students should bring enough water for their school day. They will not be allowed to use hand-washing stations to fill water bottles.

Classroom Environment

Teachers who are on campus will live stream their lessons so students at home can join.

Materials and Supplies

Each HR has provided a list of allowed supplies and materials. Please send your student's supplies in a separate bag that will fit in a cubby. No supplies and materials may be shared between students. Students will take home their supplies at the end of the school week so all areas can be thoroughly cleaned for the next hybrid group. Students may not bring any toys or athletic equipment. Plush toys, blankets and soft items have all been removed from the classrooms.

Spanish, Specialists

Spanish and Specialists will push into the classroom. P.E will be outside of the classroom.

Medical and Emergencies

These will be handled as they always have been with the exception of the teacher sending an email to the Health Zone if a student is coming.

Distance Learning Unexcused Absences

One of the challenging pieces about Distance Learning is the lack of time we have with students. It is very important for ALL students to make sure they are connected at all times during teaching. They need an appropriate learning space with school materials and please make sure wifi is working well.

Students who connect from their cars will be marked with an unexcused absence. Same with students who are at their farms and the internet does not work. We understand there might be issues at different moments with connectivity, but we need to ensure that this does not become an everyday problem for your children in order for them to take advantage of every opportunity.

Students need to connect to all synchronous blocks, otherwise they will be marked as unexcused.

Distance Learning , Learning Supplies

Teachers will be sending a must have list of school supplies needed for students to be able to work from home and/or their farm. Please make sure to take them with you in case you go to a different place.
