

Weekly Note from PS Administration **April 05-09, 2021**

Dear Primary School Parents!

We hope you were able to rest and enjoy quality time with your family during Semana Santa.

It is incredible to see we are in the last stretch of this academic year. What a journey it's been. Nevertheless, when we look back at everything we've been through, we can see how much we've accomplished, how resilient our students, families and staff have become and how united we've been as a CNG community. Let's keep strong, united and caring in this last 10 weeks of school. We will soon get to our finish line and celebrate our success.

Thank you for your continued support and partnership,

Donald and Paula

Distance Learning week (April 05-09)

This week all students will be virtual. Virtual students who opted out before Semana Santa and will remain out for the next module, will continue to be with their virtual teacher. If a student opted out only for the last module and will be back for the following modules, they will return to their homeroom teacher class.

The schedule for Distance Learning for this week will continue to be from 7:00 am -1:00 pm. Nevertheless, your homeroom teacher will modify it accordingly. Small groups and one to ones will be happening throughout this time. Each teacher will let you know specifics about their schedule in their newsletters.

We hope to be able to be back on campus April 12. More information will come in the next CCN.
