**Word of the Weeks (WOW): February 15<sup>th</sup> – February 25<sup>th</sup> (2-weeks)**

**Note: Continuing Empathy for Week B of Hybrid**

## Word of the Weeks: Empathy

**Empathy/noun:** the ability to understand and share the feelings of another.

**Empatía/Sustantivo:** La habilidad de entender y compartir los sentimientos de los demás.

**Empathy: Continued for one more week:**  
**the Padlet link is working now – please participate!**

**Please go to the [Empathy Padlet](#) link to respond to this prompt:**

*What does empathy mean to you? And how have you demonstrated it in your life?*

*¿Qué significa empatía para ti? ¿Cómo has demostrado empatía en tu vida diaria?*

**► Deadline to Opt-In for Module 5 is Monday February 22<sup>nd</sup>!**

In order to support potential changes that we will have to make in order to balance classes, we are asking for volunteers who are willing to be moved from one group to the other. **It is important to know that this does not guarantee that your child will be moved or that if you did not volunteer your child will not be moved.** We will try to use families who volunteered first when we have to shift kids between groups to balance classes. Please email [mariap.gonzalez@cng.edu](mailto:mariap.gonzalez@cng.edu) if you are interested in having your child's name on this list.

### **Día De La Colombianidad – This Thursday!**

Please join us in thanking our Spanish and Sociales teachers for continuing the celebration of Colombia in Hybrid Learning. Details of amazing virtual activities are here: **[Día de la Colombianidad 2021.](#)** Students and staff coming to campus are invited to dress in Colombian colors and clothing that depicts the culture of this beautiful country!

### **Out of Dress Code Days During Hybrid**

#### **OODC is Back! (from the Office of Community Service)**

Now that we are back in Hybrid, students are invited to participate in 2 monthly Out-Of-Dress-Code (OODC) days. Students may come OODC in exchange for a minimum suggested donation of COP 3,000 for Fundación Hogar Nueva Granada (FHNG).

Your family may either send in the exact change on Fridays with your student, or you can make a one- time donation of COP 30,000 equivalent to the 10 OODC days this semester via the FHNG website. Please go to this link: <https://www.hogarnuevagrana.org/donate/> and use the Open Donation section.

Once again, thanks to all the families that contributed to the OODC campaign from August to December we raised \$20.445.674 pesos for the 470 students that study at Colegio Fundación Nueva Granada! Well done CNG!

## **Spanish as a New Language Update**

Please join us in thanking Maria Cristina Sotello for her years of service at CNG. She will be leaving CNG at the end of this week. For the past week and going forward, Cristian Bilbao is transitioning into the SNL teaching position. Cristian brings a wealth of experience in teaching second language learners both here and in the United States. Cristian and Ms. Cata are working closely to continue to challenge and engage our SNL learners.

## **Group B Families, Please Read Carefully!**

### **Overview of Hybrid On-Campus Model**

The following overview items are provided with theme of the Three W's at all times:

#### ***Wear your Mask, Wash your Hands, Watch your Distance!***

All staff will be modeling and reviewing specific safety protocols for all areas in the school: arrival/dismissal, classroom, hallways, bathrooms, snack break, recess.

#### **Masks**

Non-disposable masks must be made of anti-fluid fabric on the outside and must have hypoallergenic fabric on the inside covering the nose and mouth completely. Masks must be fixed in the nose to keep it in place. They must have your child's name inside and must be washed every day.

The school's masks for kids are sold in Caracolitos: [CNG Uniforms](#)

#### **Uniforms**

With the return to on-campus school in a Hybrid Model, students will be expected to wear uniforms. These may be the "PE" (casual uniform) version for both PS and ES. Following is the link to CNG's uniform supplier, Caracolitos: [CNG Uniforms](#)

### **Ingress/Egress (Arrival/Dismissal) Basics**

ES students who do not take the bus will be dropped off/picked up at Carrera 4, ***unless they have a Primary School sibling. Students who are walkers or those who have PS siblings, will arrive/dismiss through the main gate.*** The most significant way parents can help each morning is to fill out the Self Checker Form.

Drop-off will begin at 6:45am.

There will be no Elementary School supervision for gate drop-off before 6:45am.

If you are picking up your child, please make sure to bring or place the printed placard in your car windshield. (sent by email last Friday). **We will not be allowing hand printed placards or signs.** Gate passes will not be issued. If you have an emergency and someone else needs to pick up your child due to an emergency, please make sure to send an email to [mariap.gonzalez@cng.edu](mailto:mariap.gonzalez@cng.edu) or [dmvargas@cng.edu](mailto:dmvargas@cng.edu). These requests will have to be approved by Ms. Cruckshank and/or Ms. Ellerby before making any exceptions. Parents will not be allowed on campus.

### **Daily Snack Break, Lunch and Recess**

These are in the schedule and, again, will be managed with safety protocols. There are 6 recess areas where students will rotate. Students must stay with their own class cohort group and assigned area. The recess areas will be cleaned in between recesses. There is a separate snack time in the schedule. Students must bring their own snack but may not share with others.

If you wish to request 'Grab and Go' lunch service for each child during Hybrid, please indicate this by selecting 'Yes' under Cafeteria services in the same window that you would 'Opt-In' or 'Opt-Out' for Module 5 in Skyward. During the hybrid model, the cafeteria fee will have a 50% discount. We will be providing healthy and cold food wrapped with biodegradable products and following all the biosecurity measures. Students will eat their lunch in their classrooms or designated spaces. Once we have the information of how many students are registered for the cafeteria, we will be sharing the menu options in the school's webpage.

→ Please note for students who bring lunches: Access to the microwaves is very limited due to distancing procedures. Please send a lunch that does not have to be heated.

### **WATER!**

Students should bring enough water for their school day. They will not be allowed to use hand-washing stations to fill water bottles.

### **Classroom Environment**

Teachers who are on campus will live stream their lessons so students at home can join.

### **Materials and Supplies**

Each HR has provided a list of allowed supplies and materials. Please send your student's supplies in a separate bag that will fit in a cubby. No supplies and materials may be shared between students. Students will take home their supplies at the end of the school week so all areas can be thoroughly cleaned for the next hybrid group. Students may not bring any toys or athletic equipment. Plush toys, blankets and soft items have all been removed from the classrooms.

### **Spanish, Specialists**

Spanish and Specialists will push into the classroom. P.E will be outside of the classroom.

### **Medical and Emergencies**

These will be handled as they always have been with the exception of the teacher sending an email to the Health Zone if a student is coming.

### **Bus Dismissal is at 1:20**

Students who ride the bus will have their temperature checked by the monitoras. Students will have assigned seats on the bus based on family cluster and grade level. Dismissal from the bus in the morning will be one row at a time. We will have teachers taking students to their classrooms. *Parents can help each morning by filling out the Self Checker Form.* Bus Passes will not be issued. **NO exceptions will be allowed.**

### **Distance Learning Reminders**

Students who are not on campus are expected to be *ready for school and engaged* from 7:00am-1:00pm in an appropriate learning environment. Connecting to Zoom and the classroom from a car or a public environment (restaurant for example) is inappropriate and disruptive to the learning environment. Please do not put your child in a position to have to do this. If the teacher determines that any student is in an inappropriate or disruptive learning environment the student will be asked to disconnect and will be marked as absent/unexcused. Please review our Distance Learning Agreements here: [Distance Learning Student-Parent Agreements](#)

### **REMINDER - Learning Center Update**

#### **Starting on February 15th**

- Students with co-taught support will continue to get specially designed instruction such as targeted small group instruction, differentiation opportunities, guided instruction, frequent feedback, and scaffolding in all core academic classes.
- Small group targeted Interventions for students in co-taught classes will take place from 2:30 to 3:30 and will be offered online.
- Academic interventions or therapies that are done through the pull-out model will now be provided within the instructional day schedule from 7:20-1:00.

### **REMINDER - After School Activities and Athletics**

All DL agreements apply to after school activities and athletics. Because of having less time after school you may have to start helping guide your child's choices. Please let any after school staff member know if you need support with these choices. And again, connecting to Zoom and the activity from a car or a public environment (restaurant for example) is inappropriate and disruptive to the activity's environment. Please do not put your child in a position to have to do this. It will compromise your child's eligibility for the activity.

## Connecting with Our Counselors

Ms. Adri and Ms. Moni have been meeting with students and visiting classes this last week in Group A on campus. They agreed that one more week using Empathy as the WOW is important. Here is a great article on 6 Things We Need To Know About Empathy: [Empathy](#)

## ES Coffee Chat Summary

We had a very small group at Coffee Chat on Friday. We are going to assume that was because our staff and Parent Council reps are doing a great job of communicating with the community! Thanks to those of you who joined in. It felt great to connect!

Some questions/topics discussed:

- First-time Hybrid opt-in question about pick-up procedures: please see the ingress/egress section in this CCN. Please, also, be assured that ES and PS siblings will be dismissed together if they are front gate pick up.
- Tips from Group A families to Group B families: plan for exercise for your children, try not to allow screen time after the school day is over at 1:00pm, be purposeful about family engagement outside of technology.
- Questions about staff members not coming to campus: staff members are expected to be on campus unless they have a verified medical exception.

**Join us for next month's CC: Friday March 19<sup>th</sup> at 8:30am: <https://zoom.us/j/92239483894>
