## Integrity/Integridad

This week we return to Distance Learning at CNG. This school year has given us the opportunity to switch between different models of learning. How have you maintained integrity – *focused on working with honest and strong moral principles* - in each of the models of learning this year?

Go to your teacher's Google Classroom and add a slide to this Google Presentation:

## Distance Learning Reminders and Traveling Families

We established these DL agreements for parents and students this year. Now is a great time to review them. [Online Behavior Agreement](#).

In addition, if your family is traveling and your student is trying to attend to their homeroom virtually, please provide them with a quiet, school-appropriate workspace. All students are expected to be *ready for school and engaged* from 7:00am-1:00pm in an appropriate learning environment.

Connecting to Zoom and the classroom from a car or a public environment (for example a restaurant, park, or beach) is inappropriate and disruptive to the learning environment. Please do not put your child in a position to have to do this. If the teacher determines that any student is in an inappropriate or disruptive learning environment the student will be asked to disconnect and will be marked as absent/unexcused.

## Connecting with Our Counselors

Since we are back in Distance Learning mode for everyone this week here is a reminder from our counselors. This link [Tips for Distance Learning](#) provides great reminders about Healthy Habits and Organizational Skills/Routines!
