**From the Principal's Desk**

We hope everyone had a great Thanksgiving day with family enjoying a physically distanced time together. I am sure we are all looking forward to the Christmas holidays and I think everyone has deserved a break with all the time and energy that we have been putting into Hybrid Learning. It is important that we remind our students (and we need your help) that the semester is not over yet. These will be critical weeks for students to stay connected, stay on top of their work, and beat the urge to procrastinate and lose focus. Three weeks of critical learning before everyone can take a break! Please do not hesitate to reach out to your teenager's teacher, counselor, associate principal or principal if you feel they are falling behind or having a particularly difficult time staying focused at this time. Together we can help get them back on track.

## **Reminders**

### **CUMULATIVE SEMESTER ASSESSMENTS**

Please note that we are moving the last day of semester 1 to Friday, January 29th. This will allow us to hold cumulative semester assessments (semester exams) during the week of January 25th, which will be a Distance Learning Week. More information to come.

### **CONNECTION ISSUES**

Please note that if your teenager is having connectivity issues and cannot connect to any class we need for parents to send an email to [hsattendance@cng.edu](mailto:hsattendance@cng.edu). The protocol is the same as if they were absent for an on-campus class. In addition, if they are having issues with their account or their zoom platform, they can visit the [Virtual Fishbowl](#) for support.

### **COMMUNITY SERVICE OPPORTUNITIES**

Every week students receive information on the different service options that they can sign up for in the HS Student News. We invite parents to ask their teenagers what plans they have to get involved this year and serve others. Maybe you can review the options together and consider what the best fit would be?
