

Weekly Note from PS Administration **April 12-16, 2021**

Dear Primary School Parents!

We are looking forward to seeing our students back on campus this week. Please remember the importance of following routines these last few weeks of school. We know that your kids and you are tired but ensuring a good night sleep, structured environments and clear routines makes it easier for everyone.

Thank you for our partnership,

Donald and Paula

- Tuesday, April 13 **(Day 6)**
- Wednesday, April 14 **(Day 1)**

Parents, would you please take a few minutes to provide us feedback on our last module whereby all opt-in students in Group A and Group B were on campus together before the break? This feedback will help us continue with instructional processes that are working for your children and make adjustments in other areas. The survey deadline is Friday, April 16, at 5:00 pm.

Welcome Back to Hybrid Learning!

We are excited to, once again, have students and staff back on campus. There are a number of students who moved from Opt-In to Opt-Out and Opt-Out to Opt-In. As a result we are still at about 91% of PS students attending on campus. Because of the timeline and the current reality of Hybrid being 2 weeks we did not go into great detail to balance classes. If Hybrid continues, we may have to move some students to balance.

Please note that there is a slight change in drop-off and pick up for PS and ES: Walkers

PS students with ES siblings will be picked up at the BRIDGE. They won't be going out by the main gate but by the Bridge gate with their sibling.

Traveling internationally and PCR Tests

If you are traveling internationally with your kids please remember they need to have a negative PCR test done by Fundación Santa Fé, 3-5 days upon arrival in order to come back to school. We need to take care of each other and trust we are all following the CNG Core Values.
