## **Día De La Colombiandad**

It was so great to see the students honoring Colombia last Thursday! Thank you for supporting them and our Colombian program. The virtual activities were engaging and fun. Big shout-out to our Spanish teachers for successfully adapting this tradition to the Virtual and Hybrid Learning environments!

## **REMINDER: Hybrid Drop-Off and Pick-Up**

Please drop off and pick up at the main gate only if you have children in both Elementary and Primary Schools. If you do not have a primary child, too, your drop off and pick-up location is the Carrera 4 gate. *Families who make the mistake of using the main gate without having PS siblings will be directed to Carrera 4, likely making their students late for class.*

## **Parents of 3rd Grade Students -- Group A**

Just a quick reminder that your children are writing the CogAT screening test on Tuesday morning, March 2 in their Homeroom classes at 8:30 am. Please be sure that they have headphones/earbuds to plug into the Chromebooks in the classroom to do the test. Thank you.

### **Overview of Hybrid On-Campus Model**

The following overview items are provided with theme of the Three W's at all times:

#### ***Wear your Mask, Wash your Hands, Watch your Distance!***

All staff will be modeling and reviewing specific safety protocols for all areas in the school: arrival/dismissal, classroom, hallways, bathrooms, snack break, recess.

### **Masks**

Non-disposable masks must be made of anti-fluid fabric on the outside and must have hypoallergenic fabric on the inside covering the nose and mouth completely. Masks must be fixed in the nose to keep it in place. They must have your child's name inside and must be washed every day.

The school's masks for kids are sold in Caracolitos: [CNG Uniforms](#)

### **Uniforms**

With the return to on-campus school in a Hybrid Model, students will be expected to wear uniforms. These may be the "PE" (casual uniform) version for both PS and ES. Following is the link to CNG's uniform supplier, Caracolitos: [CNG Uniforms](#)

### **Ingress/Egress (Arrival/Dismissal) Basics**

ES students who do not take the bus will be dropped off/picked up at Carrera 4, ***unless they have a Primary School sibling. Students who are walkers or those who have PS siblings, will arrive/dismiss through the main gate.*** The most significant way parents can help each morning is to fill out the Self Checker Form.

Drop-off will begin at 6:45am.

There will be no Elementary School supervision for gate drop-off before 6:45am.

If you are picking up your child, please make sure to bring or place the printed placard in your car windshield. (sent by email last Friday). **We will not be allowing hand printed placards or signs.** Gate passes will not be issued. If you have an emergency and someone else needs to pick up your child due to an emergency, please make sure to send an email to [mariap.gonzalez@cng.edu](mailto:mariap.gonzalez@cng.edu) or [dmvargas@cng.edu](mailto:dmvargas@cng.edu). These requests will have to be approved by Ms. Cruckshank and/or Ms. Ellerby before making any exceptions. Parents will not be allowed on campus.

### **Daily Snack Break, Lunch and Recess**

These are in the schedule and, again, will be managed with safety protocols. There are 6 recess areas where students will rotate. Students must stay with their own class cohort group and assigned area. The recess areas will be cleaned in between recesses. There is a separate snack time in the schedule. Students must bring their own snack but may not share with others.

If you wish to request 'Grab and Go' lunch service for each child during Hybrid, please indicate this by selecting 'Yes' under Cafeteria services in the same window that you would 'Opt-In' or 'Opt-Out' for Module 5 in Skyward. During the hybrid model, the cafeteria fee will have a 50% discount. We will be providing healthy and cold food wrapped with biodegradable products and following all the biosecurity measures. Students will eat their lunch in their classrooms or designated spaces. Once we have the information of how many students are registered for the cafeteria, we will be sharing the menu options in the school's webpage.

→ Please note for students who bring lunches: Access to the microwaves is very limited due to distancing procedures. *Please send a lunch that does not have to be heated.*

### **WATER!**

Students should bring enough water for their school day. They will not be allowed to use hand-washing stations to fill water bottles.

### **Classroom Environment**

Teachers who are on campus will live stream their lessons so students at home can join.

### **Materials and Supplies**

Each HR has provided a list of allowed supplies and materials. Please send your student's supplies in a separate bag that will fit in a cubby. No supplies and materials may be shared between students. Students will take home their supplies at the end of the school week so all areas can be thoroughly cleaned for the next hybrid group. Students may not bring any toys or athletic equipment. Plush toys, blankets and soft items have all been removed from the classrooms.

### **Spanish, Specialists**

Spanish and Specialists will push into the classroom. P.E will be outside of the classroom.

### Medical and Emergencies

These will be handled as they always have been with the exception of the teacher sending an email to the Health Zone if a student is coming.

### Bus Dismissal is at 1:20

Students who ride the bus will have their temperature checked by the monitoras. Students will have assigned seats on the bus based on family cluster and grade level. Dismissal from the bus in the morning will be one row at a time. We will have teachers taking students to their classrooms. *Parents can help each morning by filling out the Self Checker Form.* Bus Passes will not be issued. **NO exceptions will be allowed.**

### Connecting with Our Counselors

Ms. Adri and Ms. Moni are excited to welcome Group A and new opt-in students to campus. Please don't hesitate to call on them for support for your student, especially if they are struggling with peer ***relationships***.
