Potential Lunch Changes coming! We are exploring moving the lunch times for 6/7 for more space when all of our students are on campus. We want to make you aware of this potential adjustment, but promise to communicate well in advance if we do indeed change it!

Athletics and recess time- for biosecurity reasons we are having to stop student to student play that has any contact and involves large groups. See info below and support us by sharing this with students: Please see our updated [Recess Protocols HERE](#)

The Condor Activities Department and Athletics Department would like CNG families to keep in mind the statement from Jerry Jones as we head into the final stretch of school, “Everybody is pretty good in the first quarter. Second quarter, you have a little bump or two on you coming into the half. By the time the third quarter comes around, you’re tired, you’re laboring. When you come to the fourth quarter, it calls on your character.”

Fortunately, we can make a quick transition back to on-campus learning. The Athletics Department is planning to return to on-campus Saturday activities (Pending Biosecurity Recommendations). Saturday, April 17, we are planning to offer group A athletic practice, and Saturday, April 24, group B will be able to participate in practice. Information regarding Saturday practice will be distributed within the Skyward messaging system. Athletes coaching staff will also be able to provide details.

Condor Activities will continue to participate in virtual sessions due to the availability of a consistent schedule and the virtual programs' strength already in place.
