## Booking Educational Field Trips for Our Fall

### **School & Home School Field Trips:**

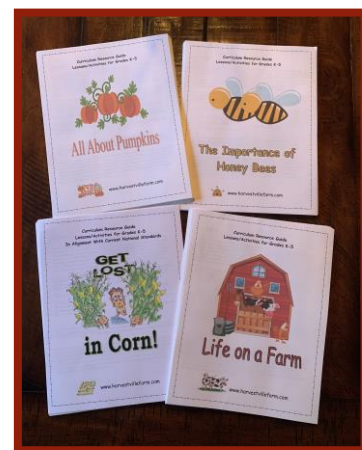

On any given fall morning at Harvestville Farm, you'll see the sights and hear the sounds of children laughing, learning and playing. Offering educational field trips to pre-school and elementary age students has long been a priority for us here at the farm. It just so happens that we're able to help accomplish that goal in a fun and unique way. Our educational field trips have been structured through the knowledge we have obtained of being a 5th generation farm, along with the additional educational guidance from one of the owners being a certified educator. Our unique and interactive field trips are loaded with lots of fun and hands-on educational experiences.

### **NEW Virtual Field Trip:**

As we all know, last year was a difficult year for many, especially for all of our local and tri-state schools. We missed seeing the excitement on the faces of the students when they would arrive and watching them have a fun-filled day exploring the farm. For some schools and classrooms, COVID-19 still has limited personal hands-on learning this year due to individual school/district mandates, we would like to share the farm experience with classrooms virtually! We have created a video featuring our educational "Talk Time" along with a flyover tour of the farm. To access our virtual field trip visit: [https://youtu.be/Q\\_Au6qdklr8](https://youtu.be/Q_Au6qdklr8)

### **Fall Curriculum Available:**

Fall Curriculums are now available for our educators. Each curriculum was designed and written by one of the owners who is also a certified educator. Each curriculum is LOADED with a variety of agriculture activities that are appropriate for ages K-5th grade. Hard copy and digital curriculums available are: *All About Pumpkins*, *The Importance of Bees*, *Life on a Farm*, and *Get Lost in the Corn*. Curriculums are \$10 each or \$35 for all four. To purchase a curriculum please contact us via email or at 319-470-1558.

## The Pitchfork Café – Fall Menu – Concession Style

When you come for a visit to the farm, make sure you bring along your appetite! We serve up a variety of tasty menu items in "The Pitchfork Café." Enjoy your freshly prepared lunch out on our beautiful patio or pick it up to go. We have something for everyone.

Serving Monday – Thursday 11am – 3pm, Fridays – Sundays 11am – 5pm

Make your Bonfire Site Reservation: Private bonfire sites are available to rent with at least 24 hours advance notice. Each bonfire site includes two wooden benches, one picnic table, one serving table and a trash receptacle. Guests may bring additional seating if they wish. Guests also need to provide their own roasting sticks and may bring food items they wish to roast.

Rental is \$25.00 per site for a three-hour time increment. Times available are: 10am - 1pm, 1pm - 4pm or 4pm - 6pm Mondays-Saturdays AND 11am-2pm, 2pm-5pm and 5pm - close on Sundays. Due to the popularity of the bonfire sites, we advise booking a site WELL in advance of your function. Call us at 319-470-1558 to make your reservation today!

## Harvestville Farm Mercantile – Fort Madison

## Our Commitment to our Guests – Our Covid-19 Safety Plan

We would like all of our guests to know that we take the safety of our staff, customers and families very seriously. For the past 10+ years, we have taken great pride in creating and implementing an "Employee and Guests Safety/Crisis Plan" in order to ensure the safety of everyone that visits and works on our farm. Our safety plan is also reviewed on a yearly basis by our local health department, emergency management authorities - police, fire, ambulance - and the Emergency Management Coordinator of Lee County. We strive to always continue to be a leader in practices of farm safety, sanitation and hygiene with all of our staff, as well as our guests.

Throughout the challenging year last year of COVID-19, we took our safety practices further through the implementation of more in-depth sanitation practices throughout our farm, advanced hygiene education and training for our staff, maintaining a close connection with our local health department and staying informed and following up-to-date state and federal guidelines. We want our guests to know those implementations are here to stay.

### Our Commitments to Our Guests as an Agritourism Destination:

- Conduct safe sanitation procedures and use safe, healthy hygiene practices
- Provide proper sanitizing materials for cleaning common use surfaces and high touch surfaces as often as possible
- Make Hand sanitizing stations and hand washing sinks available to all guests and employees throughout the farm
- Train our employees on procedures related to COVID-19 to ensure safety of themselves and our guests
- Require all our employees to wear masks - per state and county guidelines
- Daily health screening of each employee working at the farm prior to each shift

### We Kindly Ask Our Guests To:

- Keep other guests and our staff safe by staying home if you have been exposed to COVID-19 recently or have symptoms of COVID-19 - including a fever, cough, or shortness of breath
- Sanitize and/or wash your hands frequently

Visit our website for a list of all the safety measures Harvestville Farm is taking to continually ensure the safety of all our guests and staff
