How do I get my tickets?

- Visit the ticket office in person
- Online through The Clarice's website. Login to your account first, then add the tickets to your basket. When you are logged into your account, the discounts will apply automatically.
- If the discount is not automatically applied online, your account may not be registered for Clarice Family Comps. (We register accounts based on information provided by the schools and supervisors.) Contact the ticket office and we'll make sure you have access!

Anything else I should know?

- **Can't use your ticket?** Let us know! We understand things come up, but out of respect for the artists on our stages, we ask that you return your ticket so that someone else can fill that seat.
- With that said... **USE IT OR LOSE IT!** If your ticket has not been scanned at the entrance to the venue by 5 minutes prior to the start of the show, the Guest Experience team reserves the right to return and reissue your ticket to someone on the waitlist. We will be keeping track of unused tickets and will adjust eligibility rules if the offer is abused.
- An "event" includes all performances of a show. If you are required to see multiple performances of the same show, please contact the ticket office and we can make exceptions.
