

## Dancers Needed

Christine Hands

([www.christinehands.com](http://www.christinehands.com) MFA Dance)

is **looking for movers** to be involved in a collaboration with musicians from the School of Music.

We are working on a dance and music performance about the refugee crisis.

I am looking for a diverse and inclusive cast, but especially people for whom the subject matter speaks to them.

Rehearsals: Thursday evenings and some weekends (Sat and Sun afternoon)

Performance Date: TBD

I want to dance what do I do?: [Email hands@umd.edu](mailto:hands@umd.edu) and let me know who you are, what I need to know about you, and why this project interests you! In lieu of an audition I'll have you come to rehearsal and we'll just see if we're a good fit for each other!

Get in touch by October 1
