

Shasta County Contractors & Suppliers!!

NorCal CRT Needs Your Help!

NorCal CRT is a community-based long-term recovery group (LTRG) set up to address unmet recovery needs in the community that still exist after initial federal assistance and community support have been distributed.

How You Can Help:

Contractors

Donate or Discount Your Services

NorCal CRT is looking for local contractors who would like to donate their time/services and/or offer discounted rates. Please contact NorCal CRT for more information on how you can help.

Suppliers

Donate or Discount Materials

NorCal CRT is in great need of building materials from lumber to lighting as we are working on top to bottom rebuilds. Please contact NorCal CRT for more information on how you can help.

1,100

Nearly 1,100 Shasta County homes were destroyed and many others damaged.

70%

"70% of local fire victims believe they do not have enough insurance to replace or rebuild their home."

-Survey by United Policyholders, a SF based consumer group.

\$15m

The NorCal CRT estimates it needs \$15 million to help the under-insured and non-insured rebuild. The Carr Fire alone caused over \$1.5 billion in damages.

Contractors & Suppliers

Your help is greatly appreciated!! If you would like to donate or offer discounted services and/or materials, please contact the NorCal CRT
