Borrowing for Higher Education

You've identified the schools you want to attend, filed your FAFSA and State Grant Form, searched for scholarships, and reviewed your college costs. Now that you've calculated your funding gap, you may be realizing that education loans are a necessary part of the process. But what should you do next?

Join PHEAA's team of Account Executives for a webinar exploring the loan options available to students and families. They will break down the various federal and private loan programs, discuss the advantages and disadvantages of each type, and help you understand how to make informed borrowing decisions. The PHEAA loan team will also be available to answer your questions as you decide which options are right for you and your family.
