GRIEF SUPPORT GROUP

FOR MIDDLE AND HIGH SCHOOL STUDENTS

Losing a loved one is one of life's toughest challenges, and we're here to help you through it. Facilitated by Cornerstone of Hope staff, this grief support group is specifically designed for middle and high school students who are dealing with the pain of losing someone close to them.

WHAT TO EXPECT:

Safe Space: Connect with others who understand what you're going through in a compassionate and supportive environment.

Open Discussions: Share your thoughts, feelings, and stories without judgment. Express yourself in a space where your emotions are valued.

Peer Support: Forge connections with fellow classmates who are on a similar journey. Draw strength from one another's experiences.

Remembering Together: Honor the memory of your loved ones through meaningful activities and discussions that celebrate their lives.
