

Prepare for the PSAT

101 Strategy Sessions + Full-Length Practice Exams

with our friends at Revolution Prep

Get the expert breakdown of test structure, content, and how to develop a focused test-prep plan in a 101 Strategy Session, led by one of our expert tutors.

Then, take the opportunity to work on pacing and endurance in a setting that best simulates the test day environment during one of our proctored practice exams. Plus, you can see your detailed score report instantly in the Revolution Prep mobile app!

How it works

Sign up for a 101 strategy session by scanning a link on the right, and register for a practice exam below. Launch each session through your Revolution Prep Student Dashboard.
