Deep Dive into Covering the Gap

It's crunch time. The semester bill has arrived—and the deadline to pay is approaching quickly. The bill's format may look different from the financial aid offer you received earlier, and you may be wondering what costs aren't included on that bill. What happened to your Federal Work Study award? Are there additional expenses you should be planning for? Will you need to borrow—and if so, how much and through which loan programs?

Join members from the Pennsylvania Higher Education Assistance Agency (PHEAA) for a webinar that will walk you through these questions and more. Together, we'll take a deep dive into **Covering the Gap**—helping you understand remaining costs, explore available loan options, and make informed decisions about how to finance your semester.
